

## FOR TRANSFER STUDENTS

### PROGRAM OVERVIEW

The CU Denver Photography program is a Fine Arts photography program, allowing students to learn and build upon visual arts foundations – including drawing and two-dimensional design, among others – to study both traditional and contemporary photographic techniques. Studio work is complemented by theory and history courses, as well as by instruction on how to promote oneself as an artist. Faculty focus on personal artistic expression, broad conceptual concerns, and nurturing the creative process. Students enjoy small classes with instructors who are successful, practicing artists. Unlike many other programs, we explore the potential of not only contemporary digital photography but also of traditional film photography to combine a range of specific techniques with broad artistic concepts and theory. We also offer the opportunity to study and earn credit abroad. Moreover, students find a close-knit and supportive community of fellow artists with whom to share ideas and critiques – in the classroom and in the lab. This community proves invaluable as long-term projects are developed with faculty and peer feedback, culminating in a final senior show and an individualized, professional-level portfolio.

### ACADEMIC ADVISING

Freshmen with fewer than 30 credits and/or CAM students who are Undeclared are assigned to the Center for Undergraduate Exploration and Advising (CUE&A). All other College of Arts & Media (CAM) students with more than 30 credits who have declared CAM majors are assigned to the CAM Office of Advising and Student Services.

*Students can connect with the internal CAM admissions team to learn more about the program, additional admission requirements, spaces, equipment and technology.*

*Students with a declared CAM major that have more than 30 credits are encouraged to meet with a CAM advisor every semester prior to registration.*

*Freshmen with fewer than 30 credits and/or CAM students that are Undeclared students are assigned to the Center for Undergraduate Exploration and Advising. These students are required to meet with an advisor every semester prior to registration.*

### COURESWORK THAT CAN BE COMPLETED AT PREVIOUS INSTITUTION

## FOR TRANSFER STUDENTS

The following is a “bucket” of requirements students can complete prior to transferring to CU Denver, including equivalent Colorado Community College System (CCCS) courses. To determine the equivalencies of courses to be completed at non-CU Denver institutions, students can visit [www.transferology.com](http://www.transferology.com). **It is critical students connect with a CU Denver academic advisor to ensure planned courses will transfer *and* apply to CU Denver degree requirements.** All non-CU Denver coursework must be completed with a C- or better to be eligible for transfer.

Students interested in completing an Associate (A.A. or A.S.) Degree or a [Colorado Statewide Transfer Articulation Agreement or Degree with Designation \(DWD\)](#) must work with their community/junior college academic advisor to create an academic plan that accounts for all degree or transfer articulation agreement requirements. Colorado Community College Students may also explore the option to complete [Reverse Transfer](#) at CU Denver.

## SAMPLE PLAN – COURESWORK TO BE COMPLETED AT CU DENVER

Based on successful completion of 60 applicable transfer credits and the complete “bucket” of requirements outlined above, students would have the following remaining to complete at CU Denver. At CU Denver, students must tailor this plan based on the evaluation of previously completed college coursework (e.g., AP, IB, CLEP, dual/concurrent enrollment, and transfer credit), course availability, individual preferences related to course load, summer term courses, part-time or full-time student status, or add-on programs such as minors or double-majors.

**Note: this plan assumes students have completed the CAM Foreign Language proficiency requirement. Students who have not fulfilled this requirement must work with a CU Denver CAM Academic Advisor to modify this plan.**
