All campers must fly into Denver International Airport (DIA) on **Sunday, June 14th** between **9am-1pm**.

Our LYNX Staff will meet students at the airport and accompany them to campus in groups. They will take the Denver Lightrail to campus from the airport. The A-Line runs from DIA to downtown Denver with stops near the Auraria Campus. Individuals under age 19 can use RTD trains and buses for free, so no tickets are needed. Phone numbers of these staff will be sent to families the week before arrival.

The Opening Camp Meeting for Residential students will occur at 4pm. This is for campers only.

If you have not already provided us with your flight information, please let us know your flight info as soon as possible.

Out of State Students - Departure:

Camp ends on **Friday, June 26th** around **4:30pm**.

If you are booking a Friday, June 26th flight out of DIA, please have the departure time be 7:30pm or later. We want to ensure that each camper has ample time to participate in the showcase, say their goodbyes to friends, get to the airport, and get through airport security. Campers will be escorted to the A-Line Train to DIA for their flights back home the evening of Friday, June 26th.

If needed, campers can spend one additional night in the City Heights Residence Hall but must be ready to leave by 8am on Saturday, June 27th. You do not need to pay an additional fee to stay Friday night into Saturday morning. Campers will be escorted to the A-Line Train to DIA for their flights back home the morning of Saturday, June 27th.

If you have not already provided us with your flight information, please let us know your flight info as soon as possible.

If you are an out of state student who plans to be dropped off/picked up rather than flying - please email us to let us know!

Conduct Agreement Form

The following requirements must be read and agreed upon by the camp participant and the participants' parent(s)/guardian(s). You should have e-signed these in your online required form. This is just a copy for your records.

1. The LYNX National Arts and Media Camp has a zero-tolerance policy for use and/or possession of alcohol, tobacco, marijuana, weapons, and other controlled substances and items. Possession and/or use of these substances and/or items will result in immediate expulsion from the program. Additionally, the police will be contacted if any illegal activity occurs. This includes underage alcohol use, marijuana use, and other illegal drug use.
2. Commuter participants are not required to attend any camp events outside of Monday-Friday academic instruction from 9:00 am – 4:30 pm. Commuter participants must be at class by 9:00 am each morning or notify the LYNX Camp administrator to let us know that you are running late. Commuter students are not allowed at the residential accommodations. Commuter students may attend evening and weekend camp events (such as guest speakers, concerts, or tours) if accompanied by a parent or guardian. For evening and weekend field trips, we will not have space for commuter students on our buses. With parent and LYNX Camp administration approval, commuter students are welcome to meet us at field trip sites.
3. Participants are not to leave the scheduled activities on their own. When in transit, participants and staff will travel as a group. This includes walking to meals, field trips, etc. Participants and parents/guardians should understand that CU Denver is an urban, university campus environment and not a K-12 environment.
4. Cell phones must be put away during classes, events, lectures, activities, and workshops unless they are being used under staff supervision as part of the assigned activity.
5. Participants will be held responsible if they cause any damage to CU Denver property.
6. The LYNX camp promotes equality and respect among all faculty, staff, and participants. We do not tolerate harassment or bullying of any kind. In the case of reported harassment or bullying, participants involved will be interviewed, which may result in parents being contacted and expulsion from the program if necessary. If a participant feels that they are being harassed or bullied, they should immediately report this to a LYNX Camp staff member.
7. Students are not permitted to use Lime, LYFT, or any form of e-scooter and/or e-bike share.

LYNX Camp Violation Policy

3 Strikes Policy for Minor Rule Violations

The following student behaviors will result in a written violation notice and a meeting with one of the LYNX Camp staff members to discuss the inappropriate behavior:

- Being late twice to a class or activity without contacting a LYNX Camp staff member.
- Using a cell phone in class (unless approved by the instructor).
- Being late for in-room time.
- Being out of your room between the hours of 10:00 pm and 7:00 am without permission from a staff member (residential participants only)
- Having lights on after lights-out time.
- Not wearing a lanyard and nametag during class periods, field trips, or other camp activities when LYNX Camp staff members have requested that students wear nametags or appropriate camp identification.
- Leaving a class, activity, or dining hall without permission from a staff member.
- Littering anywhere on campus or not cleaning up after oneself at the cafeteria.
- In general, not following the instruction of a LYNX Camp staff member. If a LYNX Camp staff member asks a student to follow a camp rule, the student is expected to do so without argument about the merit of the policy. The appropriate time to speak about the merits of our policies is before the camp starts or after the camp is over. If a student strongly disagrees with a policy during the camp, the student should contact their parent/guardian and have the parent/guardian contact LYNX Camp administration.

If the behavior happens again after the written violation warning, the student will receive another violation notice and the student's parent will be notified.

If the student commits another rule violation after the parents were notified, the student will be removed from the camp.

LYNX Camp Violation Policy Cont.

Immediate Expulsion from the LYNX Camp for Major Rule Violations

The following rule violations could result in immediate removal from the LYNX Camp:

- Any possession, distribution, or use of illegal substances. Illegal substances include alcohol and marijuana, as both are illegal in Colorado (and nationally) for anyone under the age of 21. The police will be contacted if illegal substances are used or found.
- Being in another student's room. Students are not to be in any other student's room without permission from a staff member.
- Skipping a class or activity without letting any staff member know where you are.
- Purposefully causing damage to any structure on campus, at the residence halls, or when on tours or field trips.
- Threatening harassment, or substantial bullying of a student, staff member, or anyone else associated with the LYNX Camp.
- Possession of any sort of weapons or making verbal threats involving weapons.
- Behavior that jeopardizes the physical safety of oneself or others. (This includes cutting, refusal to eat or drink, and other self-harm behaviors).

If one of these rules is violated a student will be removed immediately. The decision to remove the student from the camp will be made by the LYNX Camp Director.

Frequently Asked Questions

Do parents have to attend the closing concert or student showcase on the last day of the camp?

No, while it's great when family members are able to attend the closing day events, we understand that this may be difficult for some families. We plan to video and/or take pictures of the event to share with families.

What LYNX Camp items will students receive when they check in at the camp?

All students will receive a LYNX Camp t-shirt, water bottle, drawstring backpack, and lanyard, on the first day of the camp.

If I have a special diet and/or food allergies, will your camp be able to accommodate me?

We most likely will be able to accommodate students with special diets and/or food allergies. All meals will take place at the City Heights Residence Hall. Please contact us if you have special dietary issues that you would like us to be aware of for the camp.

Can friends and family attend LYNX Camp events?

Families are encouraged to attend the Student Showcase on the last day of camp. Students are welcome to leave with their family after these events.

Can I explore Auraria Campus and Downtown Denver on my own?

No, it is campus policy that minors participating in university programs are not to walk around campus on their own. We have plenty of planned events and outings that will allow you to see the campus and all that Denver has to offer.

Who will my roommate be?

We try to match roommates based on gender and year in school. There will be many opportunities to bond with other camp participants during your two weeks here as well.
