

Welcome to the second Colorado High School Film Festival. The festival grew out of our desire to connect with local, national, and international youth filmmakers and provide a venue to screen their exceptional projects. We think you will find the films that made the final selection to be funny, heart-breaking, suspenseful, creative, and innovative. This festival would not have been possible without the support of the College of Arts & Media, the Department of Film and Television, the panel of student judges, Dave Walter, Laura Harvey, Professor Florence Young, Angell Fioretto and, Armando Jacox.
